Box Non-Fee Amendment
Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Office Action mailed August 30, 2000,
please amend the subject application as follows:

In the Claims

1. (Amended) An image display processing apparatus for displaying in a single display window a main window for displaying main information and a sub window for displaying accompanying information associated with said main information, comprising:

a display position moving means for moving said sub window from a first position, at which said sub window is initially displayed, to a user-specified position; and
